Who we are

C.N. KARANJA & ASSOCIATES ADVOCATES is an established law firm undertaking legal work for our clients with utmost professionalism, due care, integrity and in a value optimizing way. Legal advice is the application of abstract principles of law to concrete facts of the client's case in order to advise the client about what to do next. Thus, since inception the management has spent considerable time and resources setting up systems, procedures and the adoption of strategies aimed at enhancing legal service to our clients under the written Laws and the specified provisions thereof. We endeavour to ensure that you get justice and solve your legal matters. Indeed, every client of C.N. Karanja & Associates Advocates is handled with ultimate care and respect.

Our Philosophies

- Our firm embodies the three tenets of justice – **the client, the court and the legal team.** We assist our client to get justice, which they are entitled to through delivery of quality service. We recognise that to serve our clients and fully meet their expectations, we must invest time and effort to understand them, their business, their short and long-term goals and the internal and external environment that they operate in.

- To achieve this objective we are committed to a strong client-centred relationship based on extensive partner-client interaction through direct partner involvement in service delivery to the client.

- Ours is a credible firm whose performance is exemplary, handling all cases with objectivity, ethics and respect for confidentiality.

Our Strategic Theme

At C.N. Karanja & Associates Advocates we are committed to building a reputable law firm, a leader in providing customer friendly and quality legal services. We strive to :

- Provide accessible, dependable and timely services to our clients.
- Be fair and respectful in the course of performing our duties.
- Be clear and transparent in our operations.
- Be responsive to the needs of our clients and be committed to improvement in legal service delivery.

In this regard we have undertaken the following steps:

- Consistently develop and retain a professional workforce.
- Developed and implemented performance based appraisal system.
- Implemented objectively feasible performance parameters.
- Established clear communications channels among the staff, clients, and other stakeholders.

Assurance of Quality Service

- In line with the firm's mission of providing high quality services that guarantee value for money, we have established a Client Services Supervision (CSS) department that is responsible for maintaining close liaisons with the clients. The department deals with clients complaints on service delivery or quality and attends to service request from clients.

- The firm has a well-stocked legal library to assist partners and professional legal staff in the performance of their work.
